The background of the entire page is a solid dark brown color. Overlaid on this background are several clusters of isometric cubes, drawn with thin, light brown lines. These cubes are arranged in a staggered, overlapping pattern, creating a three-dimensional geometric effect. Some cubes are positioned in the upper corners, while others are in the lower corners, leaving the central area relatively clear for the text.

The background of the entire page is a solid dark red color. Overlaid on this background is a repeating pattern of isometric cubes. The cubes are drawn with thin white lines, creating a three-dimensional effect. They are arranged in a staggered, overlapping fashion, with some cubes appearing to be in front of others. The pattern is most dense in the top-left and bottom-left corners and fades out towards the right side of the page.
